

## *Lake Parks Foundation 10 year review...*

Dear Friend,

We are asking for your support to ensure funding for projects and scholarships to enhance Lake County Parks. Through your financial donation we can continue to promote the development of conservation and recreational opportunities offered by our county's precious resources.

Year after year, your contributions enhance and enrich the experience and quality of life of residents and visitors in Lake County. Through your continued generosity, Lake Parks Foundation can fulfill educational and physical benefits of our parks.

In the prior 10 years the Foundation has funded over \$482,000 in capital projects for Lake Metroparks. These projects have included \$60,000 towards land purchases, \$170,000 for educational displays, \$192,000 for shelters and structures. Additionally, our funding of \$22,000 for scholarships and camperships granted to school children over the past 10 years continues to increase, allowing more children across Northeast Ohio to expand their understanding of and develop a life-long appreciation for nature.

Because Lake Parks Foundation is a 501(c)(3) nonprofit organization; 100% of your donation goes to support capital projects and scholarships. The Foundation is led by a volunteer board committed to Lake County parks.

By donating today, you share in our Mission to make a genuine difference in the lives of all who cherish nature and visit the parks, as well as participate in the various activities and educational programs that thousands of children enjoy each year.

Thank you for your support!  
Sincerely,

Loretta Dakes, President  
Lake Parks Foundation

Lake Parks Foundation spend policy secures our financial commitment into the future. If you would like to contact us for more information call us at (440) 709-6205 or email us at [lakeparksfoundation@yahoo.com](mailto:lakeparksfoundation@yahoo.com).
